

# Website Activation

Only for your first time log-in with our new website, you need to 'Activate Account'.

Click on 'Member Login'

Click on 'Activate Account Here'

The screenshot shows a mobile application interface for activating an account. The form is titled "Activate Account" and contains the following fields and options:

- First name:** A text input field with a person icon on the right.
- Member number:** A text input field with a person icon on the right.
- Send verification code to my:** A dropdown menu with "Select one" and a "Send Code" button.
- Verification code:** A text input field with a person icon on the right. A blue arrow points to this field.
- Password instructions:** A green-bordered box containing the text: "Passwords must only contain numbers, capital and lowercase letters, be between 8 and 16 characters long with at least 1 capital and 1 number."
- New Password:** A text input field with a person icon on the right and a hint: "8 to 16 Characters at least 1 capital and 1 number".
- Confirm New Password:** A text input field with a person icon on the right.

At the bottom of the form are two buttons: "Submit" (orange) and "Cancel" (red).

- Complete **'First Name'** & **'Member Number'** fields
- Choose how you wish your verification code to be sent – either **'Mobile'** or **'Email'**
- When Verification code is received enter it here.
- Now enter a password and click **'Submit'**

**This will be the password you use to log in to your online account from now on.**

**You are now ready to log in to your new online account!**
